

Learn More about Our Hands-free Activation Products

Hygienic, secure and reliable.

At **Elkay**®, innovation is at the heart of everything we do. We offer **hands-free** water coolers, drinking fountains and bottle filling stations crafted with leading edge technology for cleaner, healthier ways to hydrate.

Our products are easy to use for the user.

ACTIVATION

Water coolers and drinking fountains are activated by a motion sensor or foot pedal for easy use.

ANTIMICROBIAL PROTECTION

Flexi-Guard® Safety Bubbler with a flexible antimicrobial mouth guard to protect against injury and the spread of microorganisms.

Bottle filling stations offer a silver ion antimicrobial protection on key plastic components to inhibit the growth of mold and mildew.

INTERIORS

Rated for indoor use.

INTEGRATED DRAIN

Exclusive fastenerless integrated drain reduces debris accumulation and is easy to clean.

Completely Hands Free

Order a completely hands-free unit today. Units feature no-touch, sanitary, sensor-activated bottle filling stations, and water coolers.

Contact our sales teams inquire about the availability of our hands-free products in your region.
